Privacy Policy

The following Privacy Policy applies to all Services and Applications developed by Massimo Nigra. By using such Services and Applications, you agree and consent to the acquisition and treatment of your data as stated in this document.

Collected Data

Name, password and player ID.
Data related to your account and to your progress.
Whenever you use my Services, in a case of an error in the App, data and information are collected and stored on your device (through third party products), such as IP address, device name, operating system and time the error occurred.

Purpose of Collected Data

Data:
- is collected only to ensure the proper provision of the Service.
- isn't disclosed to any third party and isn't used for commercial or advertisement purposes.

Retention Period

The data collected is stored on a Server for as long as needed to provide you the Service. Data tied to your account can be deleted if you request it.

Security

In order to help ensure a secure and safe player experience, administrative, technical and physical security measures were implemented to protect your data from unauthorised access or against loss, misuse or alteration.

Links to Third Party Sites

These Services may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Changes to This Privacy Policy

I may update this Privacy Policy anytime. Thus, you are advised to review this page periodically for any changes. I will notify of any changes by posting on the Twitter account of all related Services and Applications. These changes are effective immediately after they are posted on this document.
